**6 AAC 25.500. Locations and dates of operation for absentee voting stations.**

(a) Absentee voting stations will be established through the direction and approval of the

director. Absentee voting officials will be present in the absentee voting stations during the following specified times:

(1) in any elections supervisor's office, which is considered an absentee voting station, during the following times:

(A) business hours, Monday – Friday, beginning 15 days before the primary, general, and statewide special elections;

(B) between 10:00 a.m. and 4:00 p.m. on the Saturday before the primary, general, and statewide special elections;

(C) between 12:00 noon and 4:00 p.m. on the Sunday before the primary, general and statewide special elections.

(2) Between 7:00 a.m. and 8:00 p.m. on primary, general, and statewide special election days.

(b) Unless otherwise specified in (a) of this section, the operation of absentee voting stations, other than election supervisors' offices, is limited to the following elections:

(1) primary election;

(2) general election; and

(3) statewide special elections.

(c) Ballots for local elections conducted by the state will be available at all election supervisors' offices during business hours 15 days before an election and on election day. (Eff. 8/12/90, Register 115; [EM] am 8/9/94-12/6/94, Register 131; am

6 AAC 25 is amended by adding a new section to read:

**6 AAC 25.505. Absentee voting by mail application.** (a) A person may supply an absentee by mail application if it is prepared by the division or, if it is not prepared by the division, approved by the director before distribution to the public.

(b) If the absentee by mail application is not prepared by the division, the application must be submitted to the division director no later than 30 days prior to election day and must include space for:

(1) the applicant to request which election they would like an absentee by mail ballot for;

(2) the applicants full name and sex;

(3) the applicant's State of Alaska driver's license number or State of Alaska identification card number, voter number, or the last four digits of the applicant's social security number;

(4) the applicant's date of birth;

(5) the applicant's residence address;

(6) the applicant to indicate if they wish to keep their residence address confidential;

(7) the applicant's permanent mailing address;

(8) if different than the permanent mailing address, the address the applicant wants the absentee ballot mailed to;

(9) the applicant to indicate if they have been previously registered to vote in another jurisdiction, and if so, the jurisdiction and the address of the previous registration;

(10) the applicant to attest that they will be 18 years of age or older within 90 days after the date of registration;

(11) the applicant to attest that they are a citizen of the United States;

(12) the applicant to date the application;

(13) the applicant's signature or mark;

(14) the applicant to designate a political party or group affiliation;

(15) the applicant to review primary ballot choices available if the application is made available for a primary election and to designate a primary ballot choice;

(16) the applicant to indicate if they are a member of the Uniformed Services or merchant marine on active duty, or an eligible spouse or dependant;

(17) the applicant to indicate if they are a United States citizen temporarily residing outside the United States or other United States citizen residing outside the United States;

(18) military and overseas applicants to indicate if they would like to receive ballots through the next two regularly scheduled general elections at the ballot mailing address designated on application;

(19) an applicant to request a special advance ballot if they are living, working, or traveling outside the U.S. or are in a remote area of Alaska;

(20) an applicant to provide any former name under which the applicant was registered to vote in the state;

(21) the same attestation on the absentee by mail application as prepared by the director;

(22) a certification that the applicant understands that a false statement on the application may make the applicant subject to prosecution for a misdemeanor under this title or AS 15.56.040 and AS 15.56.050.

(23) indicating that the application must be received by the Division of Elections at least 10 days prior to election day;

(c) An absentee by mail application may not suggest one ballot over another by designing or marking the application in such a manner and must indicate the Division of Elections absentee address as the return address.

(d) The voter must return the application directly to the Division of Elections and cannot submit it to an intermediary that could control or delay the submission of the application to the division or gather data on the applicant from the application form.

6 AAC 25 is amended by adding a new section to read:

**6 AAC 25.671 Preparation of the official federal race ballot.** (a) The director shall prepare a federal ballot for those voters who qualify as overseas voters under AS 15.05.011. The following rules shall be followed when applicable:

(1) the director shall determine the size of the ballot, type of print, necessary instructions, notes to voters, and other similar matters of form not provided by law; paper ballots for the general election shall be printed on white paper;

(2) the director shall number ballots in series to assure simplicity and secrecy to prevent fraud;

(3) the director may contract for the preparation of the ballots on a regional basis if necessary and may contract for the preparation of ballots without obtaining competitive bids;

(4) the director may not include on the ballot as a part of a candidate's name, any honorary or assumed title or prefix but may include in the candidate's name any nickname or familiar form of a proper name of the candidate;

(5) the names of the candidates and their party designation shall be placed in separate sections on the general election ballot under the office designation to which they were nominated. The party affiliation, if any, shall be designated after the name of the candidate. Provisions shall be made for voting for write-in and no-party candidates within each section. (6) the director shall rotate the order of placement of the names of candidates for United States senator and United States representative in accordance with AS 15.15.030;

(7) the general election ballot shall be designed with the names of candidates of each political party and of any independent candidates qualified under AS 15.30.026, for the office of President and Vice-President of the United States placed in the same section on the ballot rather than the names of electors of President and Vice-President.
